

Lapis Global Top 20 - 3D Printing Index

April 30, 2021

Description

Lapis Global Top 20 '3D Printing' Index is composed of the worldwide best-known and leading top 20 companies based on the research approach of an internationally recognized company. The companies included in the index are operating in the fields of 3D printing hardware, 3D printing simulation software, 3D printing centers and 3D printing materials. All stocks are equally weighted and the index is rebalanced on a quarterly basis (end of January, April, July, and October).

This Lapis equity index is suitable for investors who are seeking a reliable income stream from leading companies operating in the fields of 3D printing hardware, 3D printing simulation software, 3D printing centers and 3D printing materials. The 3D printing is one of industries with the greatest growth potential and is expected to fundamentally transform the manufacturing landscape.
